DETAILED ACTION

Examiner's Statement of Reason for Allowance

Claims 4,5,11-14,18,19, and 22-51 are allowable over the prior art of record.

The following is an Examiner's statement of reasons for the indication of allowable subject matter: Claims 4,5,11,12,14,18,19,22,32, and 42 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior arts.

Claims 4,5,11,12,14,18 and 19 are allowable as indicated in the previous office action.

The primary reason for allowance for claim 22,32, and 42 is the inclusion providing data redundancy within the respective array in combination with combining said one array with another array of the plurality of arrays into a new array comprising all non-failed disk drives of the combined arrays in conjunction with the rest of the limitation set forth in the claim.

The remaining claims, not specifically mentioned, are allowed because they are dependent upon one of the claim mentioned above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
